

#24 OLS Ultra Licks

This could be the most concentrated low moisture tub on the market that has been successful for building overall herd health. It's protein, energy, vitamin and mineral package is designed for use on growing and mature cattle being fed grass hay/dry grass pasture, or for mature cattle on very poor quality roughage. It has 50% more AMAFERM and LACTO-MOS than the #9. Contains BIO-MOS to aid in the building of the immune system. Also includes 10% DIATOMACEOUS EARTH. Adjust intake for energy level needed. Can be fed to equine. Do not feed to sheep. Provide plenty of drinking water and free choice salt.
